

INLANE TECHNOLOGIES PVT LTD

BYOL (Bring Your Own Laptop) POLICY

1. Purpose

The purpose of this policy is to define the guidelines, responsibilities, and security requirements for employees using their personal laptops/devices for official work purposes at Lane (Inlane Technologies).

This policy is implemented to ensure the protection of company data, systems, intellectual property, and customer information while enabling employees to work using personally owned devices.

2. Scope

This policy applies to all employees, interns, consultants, contractors, and any authorized personnel who access company systems, applications, or data using personal laptops/devices.

3. Voluntary Usage

Employees choosing to use personal laptops for official work purposes do so voluntarily and must sign the BYOL Consent & Acknowledgment Form before access is granted.

4. Ownership of Company Data

All company-related:

- Documents
- Files
- Customer information
- Business data
- Intellectual property
- Emails and communications

Regd. Office:

8/1, Harduttrai Chamaria Road,
Howrah 711101 (W.B) INDIA
CIN: U62099WB2024PTC269670

INLANE TECHNOLOGIES PVT LTD

created, stored, or accessed on personal devices shall remain the sole property of Lane (Inlane Technologies).

Employees shall not copy, transfer, misuse, or disclose company information without authorization.

5. Security Requirements

Employees using personal laptops for work must comply with the following mandatory security measures:

- Password-protected device access
- Updated operating system and software
- Active antivirus/endpoint protection
- Secure internet/network usage
- No unauthorized software installation impacting company security
- Use only approved company applications/tools for official work
- Immediate reporting of lost, stolen, or compromised devices

Failure to maintain minimum security standards may result in revocation of access.

6. Device Usage & Confidentiality

Employees must:

- Ensure that personal devices used for work are not shared with unauthorized individuals while company data is accessible
- Maintain confidentiality of all company information
- Avoid storing sensitive company data unnecessarily on local devices
- Follow all company confidentiality and data protection policies

7. Monitoring & Data Protection

To protect business interests and company data, the organization reserves the right to:

INLANE TECHNOLOGIES PVT LTD

- Restrict or revoke access to company systems
- Require deletion of company-related data
- Take necessary actions in case of security risks, data breaches, or policy violations

Such actions shall be limited strictly to protecting company systems and data.

8. Employee Exit Process

Upon resignation, termination, or separation from the organization:

- All access to company systems, email, and applications will be revoked
- Employees must permanently delete all company-related data from personal devices
- Employees may be required to provide written confirmation of data deletion
- Any company confidential information retained post-employment will be treated as a policy violation

9. Liability Disclaimer

Lane (Inlane Technologies) shall not be responsible for:

- Personal laptop/device damage
- Hardware/software failures
- Device maintenance or repair
- Loss or theft of personal devices
- Personal data loss on employee-owned devices

Employees are solely responsible for the maintenance and safety of their personal devices.

10. Policy Violation

Any violation of this policy, including misuse of company data or non-compliance with security requirements, may result in disciplinary action up to and including termination of employment and legal action where applicable.
